

Environmental Policy

Bewley's Ltd is committed to a clean, healthy and safe environment in the interests of all our stakeholders and will conduct its activities in an environmentally responsible manner.

Bewley's will demonstrate this commitment by:

- Continually striving to improve the efficiency of our operations in order to:
 - minimise the use of materials
 - reduce waste
 - prevent pollution.
- Complying with all applicable environmental legislation and regulations and with other requirements to which the company subscribes.
- Setting and reviewing environmental objectives and targets.
- Actively promoting environmental awareness among our employees and all other stakeholders in the business through appropriate communication, training programmes and activities.
- Developing, implementing and maintaining an Environmental Management System that meets the requirements of the International Standard I.S. EN ISO 14001:2004.
- Making this policy available to the public
- Taking appropriate precautions to minimise environmental risks by using safe technologies and operating procedures including a business continuity plan.
- Monitoring and measuring its Carbon Footprint and putting initiatives in place to reduce its greenhouse gas emissions.

John Cahill
Chief Executive
